

## **Message: “Official Confirmation” Acts 8**

When is a question better than an answer? The right question, well-timed and blessed by the Holy Spirit, can open up hearts and lead to spiritual breakthroughs we could never enjoy otherwise. More interesting than the questions you have for God are the questions He has for you!

### **Approaching the Temple (desiring God through worship)**

Details of the court official:

(who, where, when, why)

What makes for a good worship experience?

### **Approaching the Chariot (following the Spirit’s lead)**

Why are questions such a great approach?

How could the eunuch relate or not relate to the Suffering Servant passage from Isaiah 53?

### **Approaching Christ (entering into the promise)**

Why not?
